OFFICE OF THE CHAIRMAN
THE MARYLAND NATIONAL CAPITAL
PARK AND PLANNING COMMISSION

Dec. 16th

Dear Royce - (chair)

I am writing
this note to express
my appreciation of
your listening to my
opposition of any
approval of construction
of EZ Storage facility
in our village! It would

be making our 108 road

more crowded, & not add many
jobs.

Thank you -

Cordially,

Barbara Scott - Friends Hse
